

AGUSTINA NEGLIA

Graphic Designer UBA
Web Layout | UX/UI

ABOUT ME

I am a dedicated graphic designer with a degree earned in 2012 from Buenos Aires University.

Throughout my career, I have engaged in diverse roles, including remote, freelance, and permanent positions, collaborating with various companies and agencies. My expertise lies in web design and layout, brand identity, and editorial design.

My primary goal is to continue advancing in projects that allow me to develop my skills, foster ongoing learning, and achieve professional growth.
